
5SK'S NEWS

BEBRAS

The students entered the BEBRAS computational challenge at the end of Term 3. They were the first class to enter at Queens Beach and performed exceptionally.

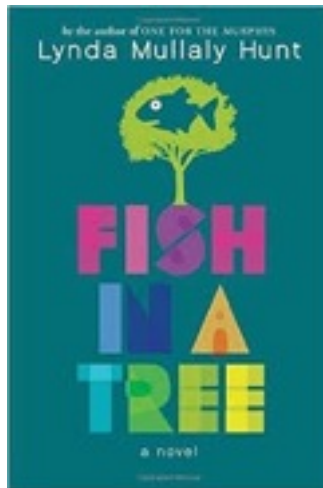

Makey Makey and Little Bits

A box turned up on the last day of school filled with new electronic resources. The students were super excited to experiment with the circuit sets. They created a play-doh piano and an apple drum using alligator clips and a Makey Makey board.

Students worked through the Little Bits modules in teams, and one group of students built a hand buzzer out of Little Bits and shook Mrs Franklin's hand. She was surprised!

Swimming

Swimming lessons start this term. A note has been sent home with the dates, equipment list and payment information.

Global Read Aloud

5SK are joining 500,000 students worldwide in the Global Read Aloud. Over the next four weeks they will participate in a range of activities promoting the love of reading. You can follow our progress on:

<http://globalreaders.edublogs.org>

Parent Teacher Interviews

Parent Teacher interviews will be held in our classroom next week from Wednesday to Friday. Please ring the school to book a time or send a message via Remind. I am more than happy to continue them in Week 4 if you are unable to attend.

Homework Club

Homework Club will continue this term. Students will use this time to create their responses to the Global Read Aloud tasks for Fish in a Tree.

School Attendance

We are now moving into our assessment period. Please ensure your child is at school as often as possible as each day counts towards their final report.
